Le karaoké

parce qu'on ne chante pas que sous la douche

L'ORIGINE DU KARAOKE

Le karaoké nous vient du Japon, précisément de la ville de **Kobe**.

Le mot karaoké vient lui-même de :

- "**Kara**" vient de "karappo" qui signifie "**vide**".
- "**Oke**" vient de "okesutura" qui veut dire "**orchestre**".

Le Karaoké permet au(x) participant(s) de chanter (en solo, en duo ou en chœur), en étant accompagné de la musique qu'il a choisi d'interpréter, devant un public, telle une véritable star.

Vous n'avez même pas à connaître les paroles de la chanson, puisqu'elles défilent à l'écran au rythme de la musique.

Attention : Elles s'affichent avant de devoir être chantées, et elles changent de couleur quand il faut chanter.

Pour les chansons en duo, chaque chanteur a une couleur différente.

Ce divertissement est devenu à la mode au début des années 90.

Mais son origine remonte aux années 60, lorsque **Mitch MILLER** animait aux USA sur la chaîne CBS l'émission "Sing along with Mitch", où le téléspectateur pouvait chanter chez lui grâce aux paroles qui s'affichaient sur son téléviseur, une balle venant rebondir sur les mots au moment où il faut les chanter.

Le matériel nécessaire est un ou plusieurs écrans (téléviseur ou mieux grand écran), un lecteur laserdisc ou lecteur DVD, ainsi que les nouvelles technologies informatiques, ordinateur et logiciels spécifiques, micros et table de mixage.

PREAMBULE

A travers ces deux bouquins Français et Etrangers de plus de 14 000 titres, (en constante évolution grâce aux dernières nouveautés), je souhaite vous faire partager ma passion pour le karaoké. Vous y trouverez, sans aucun doute, de quoi passer seul ou entre ami(e)s une agréable soirée.

Je vous conseille de parcourir le catalogue dans son intégralité parfois cela peut vous permettre de trouver des idées originales.

Pour les amateurs de chansons Anglaises, Espagnoles, Portugaises, Italiennes, Allemandes, Néerlandaises et Irlandaises un deuxième programme est disponible, n'hésitez pas à me le demander.

PS : Attention certaines phrases sont à éviter au cours de la soirée :

- Je n'sais pas chanter,
- Je suis aphone,
- J'ai mal à la gorge,
- J'ai la crève,

Je vous fais confiance pour rallonger la liste.
